

Services provided to UK companies

Are you looking for new suppliers of products or services? Do you plan to expand on the European markets?

Our office provides you with the following services for free :

- We help you **find local suppliers** and service providers;
- We facilitate contacts with **potential business partners**;
- We search and check Brussels companies' contact details;
- We provide macroeconomic and commercial data;
- We provide useful information for your **business trip** to Brussels;
- We inform you about **trade fairs**.

Invest in Brussels: We can guide you towards the appropriate bodies and provide you with useful information relating to the legal and fiscal aspects of investing in Brussels.
